ABOUT US

Who we are

Tales & Legends gUG is a non-profit organisation based in Freital near Dresden. We design and produce LARP events and tavern nights across Germany — Germany — for people who want to live stories, not just read them. Our principle: playing costs money. Joining in should be free. Through our Free Ticket Programme, we enable people with limited financial means to participate at no cost — funded entirely by community donations.

FORMATS

What we offer

01

LARP Events & Taverns
